Australia's first university to offer degrees in business

Gain industry ready skills in our state-of-the-art Financial Markets Lab

In top 5% of business schools in the world**

Ranked top-150 globally in Accounting and Finance*

Experience real financial trading

As a University of Adelaide accounting and finance student, you'll learn to use the same systems that practising finance professionals use, in our state-of-the-art Financial Markets Lab.

Utilising the Lab's real-time connections to all major global finance markets, you will:

- construct investment portfolios
- stress-test their performance in specific market conditions
- observe live market performance
- monitor real-time financial news feeds, via the powerful LSEG database.

You'll graduate with the experience and confidence to immediately contribute in a professional finance environment.

Build the mindset to chart your own path

As the only Australian university with ACEEU accreditation[^], we'll ensure virtually everything you do in your business studies builds your capacity to innovate and make things happen.

- All our business degrees include an entrepreneurship course, to boost your personal development and professional growth.
- All business degrees give you the flexibility to pursue areas of particular interest or passion.
- You'll also have the opportunity to hone your new-venture-building skills in our eChallenge program, and ThinkLab business incubators.
- And you'll get the chance to gain priceless real-world experience through industry internships.

The Academy by Deloitte
