Kickstart your
entrepreneurial
journey with our
ThinkLab

Australia's most experienced business educator

In 1902, the University of Adelaide became the first university in Adelaide to offer degrees in business.

This means your education here will be enriched by our 120 years of collective learnings and insights, and a focus on quality that still has us ranked among the world's top 150 universities for accounting and finance*. We're also ranked #1 in South Australia for economics, accounting and finance*.

Build the mindset to chart your own path

As Australia's #1 ranked university for entrepreneurship and engagement[^], we'll ensure virtually everything you do in your business studies builds your capacity to innovate and make things happen.

- All our business degrees include an entrepreneurship course, to boost your personal development and professional growth.
- All business degrees give you the flexibility to pursue areas of particular interest or passion.
- Gain expertise in management, international business or digital marketing and communications.
- You'll also have the opportunity to hone your new-venture-building skills in our eChallenge program, and ThinkLab business incubators.
- And you'll get the chance to gain priceless real-world experience through industry internships.

Career prospects

Employment growth for the majority of business and management roles ranges broadly from stable to strong, with very strong growth predicted for ICT (information and communications technology) business and systems analysts[†].
