## Elite quality, priceless experience

Adelaide is one of the top 33 universities in the world in which to study dentistry and oral health. We have the #1 dental school in Australia and deliver an unrivalled learning experience backed by more than 100 years' teaching and research expertise—giving our graduates a competitive edge in a flexible and rewarding profession.

## A remarkable health community

Our world standing in dentistry and oral health ensures you will be learning side-by-side with students of the highest calibre. But that's only the start. You'll be guided by educators and researchers who are international leaders in their fields. You'll have access to state-of-the-art technology in our simulation training facilities.

You'll build your skills working with real patients in multiple clinical settings—including our on-site Adelaide Dental Hospital. And you'll benefit from our strong relationships and partnerships with the dental and oral health industry.

## Career prospects

Dental and oral health professionals are well paid and in demand, and job prospects are only expected to increase†. There are also some exciting technological advances on the industry's horizon. These include the use of:

- AI, augmented reality and virtual reality
- Laser treatment, promising little-to-no pain, faster healing and reduced infection risk
- 3D-printed dental prosthetics.
