Graduate ready to run the classroom

As a University of Adelaide teaching student, you'll graduate with the real-world skills and confidence to immediately enter the classroom and lead young people's learning. With us you will:

- get hands-on practical teaching experience through in-school placements in every study year
- deepen your practical experience through teaching internships
- learn from a strong network of world-class teaching professionals and education experts.

Master digital learning technologies

The University has partnered with Apple Australia and New Zealand to be the only Australian university incorporating the Apple eLearning program in teaching degrees. The program will enable you to:

- develop the ability to create outstanding learning resources and lesson plans with current-generation iPads
- hone your digital technology teaching skills through placements in some of Australia's most cutting-edge schools
- gain internationally recognised Apple Teacher status.

Career prospects

Employment growth for the majority of teaching and education-related roles range from stable to very strong*.
