

THE UNIVERSITY
of ADELAIDE

2024

Gaokao entry requirements

For intake 2023/2024

make
history.

The University of Adelaide welcomes applications from students who have completed the Gaokao and will grant direct entry to Gaokao students providing they meet the following scores and any additional requirements or criteria that apply for each program. The applicant's Gaokao score will be converted into a 100% scale by dividing the total score of each province and city.

You will need to:

Satisfy the University's minimum English Language proficiency requirement.

[Refer to details here](#)

- Meet any prerequisite subject requirements for your chosen program
- Any other program requirements

Please note: Gaokao scores listed in this document are valid for entry in 2023/2024 only. Applicants seeking entry to a quota-based program, e.g. Bachelor of Medical studies/ Doctor of Medicine, Bachelor of Dental Surgery, Bachelor of Oral Health, Bachelor of Occupational Therapy (Honours), Bachelor of Physiotherapy (Honours) and Bachelor of Speech Pathology (Honours) must meet other selection criteria for entry.

How to self-assess

The University of Adelaide converts the National College Entrance Examination (Gaokao) into a percentage score. For each program requirement, please refer to the Gaokao table below by using the following calculation method:

Your total score achieved in Gaokao divided by the maximum score published by the Department of Education in each province or city.

For example: If you have achieved 525 in Gaokao from Tianjin, your percentage is 525 divided by the maximum score in Taijin 750, which gives a percentage score of 70%.

The maximum score for each Chinese province/ city, are available at <https://gaokao.chsi.com.cn/z/gkbfslq/pcx.jsp>

International Scholarship

The University of Adelaide is committed to providing educational opportunities for international students by offering scholarships, for more details refer to

Kaurna acknowledgement

We acknowledge and pay our respects to the Kaurna people, the original custodians of the Adelaide Plains and the land on which the University of Adelaide's campuses at North Terrace, Waite, and Roseworthy are built. We acknowledge the deep feelings of attachment and relationship of the Kaurna people to country and we respect and value their past, present and ongoing connection to the land and cultural beliefs. The University continues to develop respectful and reciprocal relationships with all Indigenous peoples in Australia, and with other Indigenous peoples throughout the world.
