Fees

TUITION FEES: The majority of the University's programs are offered in semesters, however some programs are taught across different teaching periods such as trimesters. Students will be invoiced at the beginning of their teaching periods. The actual tuition fees charged will be based on a student's unit enrolment and the published annual fees for the year of enrolment. Should a student 'overload' or 'underload', their fees will be increased or decreased accordingly. For example, students enrolled in 12 units will be charged half of the published annual tuition fee for the year of study. Degree Finder contains comprehensive information at www.adelaide.edu.au/degree-finder.

STUDENT SERVICES AND AMENITIES FEE (SSAF): All students are required to pay an annual fee for the provision of essential, non-academic services (see www.adelaide.edu.au/student/finance/ssaf). The 2021 fee is \$313 based on full-time enrolment and is subject to increase annually. Students will be invoiced for this amount separately, after commencement in their program.

Declaration of Financial Capacity

Student visa applicants must have sufficient funds available for the duration of their stay in Australia. The University of Adelaide can only issue your Confirmation of Enrolment (CoE) if you declare that you have access to sufficient funds. For more information visit www.international.adelaide.edu.au/admissions/tuition-fees and www.international.adelaide.edu.au/life-in-adelaide/cost-if-living.

a. I declare that I have genuine access to the funds as outlined above for myself, my partner (if applicable) and dependent children (if applicable) for the duration of my stay in Australia. I understand that should I experience financial difficulties that I (or my sponsor) will continue to be responsible for my tuition fees and living expenses;

b. I understand that the University may give advance notice of its intention to cancel my enrolment if my tuition fees are not paid by the Census Date. If my enrolment is cancelled due to non-payment of fees I understand that the University will be required to cancel my CoE and that I will have to seek advice from DHA regarding my ongoing eligibility for a student visa;

c. I understand that the University may ask me to provide additional evidence of my financial capacity, should it be required, before issuing my CoE;

d. I understand that I am responsible for ensuring that the Financial Guarantee (FG) provided by my sponsor remains current. If my FG expires, becomes invalid, or my sponsor fails to pay, I understand that I will become responsible for payment of my tuition fees, OSHC, and SSAF (sponsored students only).

The University recommends you accept your offer four weeks prior to the start date to allow sufficient visa application time.

This written agreement, and the right to make complaints and seek appeals of decisions and action under various processes, does not affect the rights of the student to take action under the Australia Consumer Law if the Australian Consumer Law applies.

Please sign, date and return this page to the University to acknowledge and accept the terms of this agreement.

Student Fees Refund Policy

(Do not return these pages with your acceptance)

OVERVIEW

In certain circumstances, if a student has a credit balance on their University account, they may request a refund of that credit balance. This policy provides formal guidance on the circumstances under which fee refunds are to be provided to students, and the manner in which they may be paid.

SCOPE AND APPLICATION

This policy applies to:

All enrolled students of the University of Adelaide, on all campuses both domestic and international;

- Students previously enrolled, not currently enrolled and students on program leave, where the relevant fee liability was incurred while they were enrolled or is directly related to their enrolment;
- Students on exchange from other universities where they have paid fees to be refunded to the University of Adelaide;
- International students who have accepted an offer of admission.

POLICY PRINCIPLES

1. Refunds

- A refund can only occur if a student has a current credit on their student finance account.
- Refunds will be processed after all other financial obligations to the University have been discharged, including (but not limited to) library fines, student loans, and accommodation charges.
- Refund payments are normally made directly into a bank account, unless paid by credit / debit card. Bank details are required for all refund requests, even if the refund is to the original credit / debit card, to ensure payment can be finalised.
- All refunds are made in Australian dollars and are payable to the student's nominated account, with the following exceptions:
 - The student is supported by a recognised third party sponsor and that sponsor is entitled to the refund (as per the Education Services for Overseas Students [ESOS] Act, s.47D(3)(b)).
 - In the event a country is subject to financial sanctions, refunds cannot be paid to a bank in a sanctioned country.
 - If the original payment was made by credit / debit card visa BPOINT, the refund will be processed back to the original credit / debit card. The merchant surcharge fee will also be refunded unless a partial refund is being made, in which case the surcharge fee will not be refunded.
- The deadline for submitting an online Refund Request Form (www.adelaide.edu.au/student/finance/refunds/) to facilitate payment of a refund in any week is 5pm of the preceding Friday.

2. Special Circumstances Refunds, Remissions or Re-Credits

- Students who withdraw from a course(s) after the Census Date due to special circumstances may apply for a Special Circumstances Refund, Remissions or Re-Credit (www.adelaide.edu.au/student/finance/special/).
- International students who withdraw from their study after accepting their offer but prior to the Census Date in their first term of study due to special circumstances may apply for a Repayment of Administration Fee (www.adelaide.edu.au/enrol/forms-downloads/students-only/special-circumstances-application-form).

3. Domestic Students: refer to www.adelaide.edu.au/policies/4343/

4. International Students

- When a refund is payable, and the applicable refund form has been completed, the refund will be processed under normal circumstances within 3 weeks of the refund form being received by Student Finance.
- Additional delays may occur for receipt of payments to overseas bank accounts.
- Refunds of Overseas Student Health Cover (OSHC) will only be processed where the University has arranged OSHC on behalf of a student and the student has not arrived in Australia. If a student has arrived in Australia, they will need to contact their OSHC provider directly to arrange any refund of their OSHC policy.

5. Refunds Not Payable

- Refunds are not payable at all in the following circumstances:
 - Student withdraws after the Census Date for courses in which student enrolled, and no special circumstances apply.
 - Student visa cancelled by the Department of Home Affairs (DHA) for any reason.
 - Student does not complete the requirements for a course or program, including a preliminary program such as Pre-Enrolment English Program (PEP) or foundation studies or bridging program, and no special circumstances apply.

(iv) Australian or international law (including but not limited to the Charter of the United Nations [Dealing with Assets] Regulations 2008, Autonomous Sanctions Regulations 2011, or the Anti-Money Laundering and Counter-Terrorism Financing Act 2006) prevents University from making the refund payment.

6. Exceptions

Transactions which are outside of these policy principles must be approved by the Director, Accounting Services (or their delegate), provided:

- It is their opinion that such a transaction is in the best interests of the University and is consistent with the objectives of this Policy; and
- The transaction is approved in writing prior to execution.

7. Appeals

Students who are not satisfied with the resolution of their application for a refund may lodge a grievance in accordance with the Student Grievance Resolution Process (www.adelaide.edu.au/student/grievance/).

8. Compliance

This Policy complies with the ESOS Act 2000, Higher Education Funding Act 1988 (HEFA), Higher Education Support Act 2003 (HESA), and any other related legislation, except to the extent that the requirements conflict with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006.

9. Record Keeping

All records created during the application of this policy and associated rules and procedures must be retained in accordance with the University Records Policy (www.adelaide.edu.au/policies/606/).

Faculty of Health and Medical Sciences Clinical Degrees

Students undertaking a clinical placement at a hospital or other health facility require student registration with the relevant National Board. This process is undertaken by the [Australian Health Practitioners Regulation Agency \(AHPRA\)](#). It is completed on the enrolment of the student in their program and does not require action by the student. The student will be advised when they have been registered. There is no fee for student registration.

Students undertaking clinical placements are required to have the appropriate level of immunisation. Immunisation records are requested by clinical venues prior to Placements. Prior to commencing professional placements, students will be advised by their program area: To consult the [University Health Practice](#) to be screened and immunised for the following infectious disease as recommended by the [Immunisation Guidelines for Health Care Workers in South Australia 2014 Policy](#). Failure to adhere to these guidelines means that a student will not be allowed to attend clinical placements. **It is a student's responsibility to acquire their immunisations record and take it with them to all clinical placements.**

As part of your course enrolment you are required to have blood tests to determine your immunity status to Hepatitis A, B and C, HIV, Measles, Mumps, Rubella, and Chicken Pox. You will also need to provide evidence of previous vaccinations, including for the aforementioned diseases as well as Pertussis, Diphtheria, Tetanus and Polio.

In response to concerns raised in the community the Children's Protection Act (SA) and similar Acts across Australia have been revised and strengthened. Legislation requires organisations that provide services to children or vulnerable adults to establish policies and procedures which ensure a safe environment. All students studying a clinical based program will be required to demonstrate a satisfactory criminal history clearance.

Bachelor of Dental Surgery and Bachelor of Oral Health

Students with a prescribed communicable infection (Hepatitis B antigen and antibody, Hepatitis C antibody, and HIV/AIDS antibody) are unable to be registered with the Dental Board of SA, and are therefore unable to complete the requirements of the Bachelor of Dental Surgery or Bachelor of Oral Health programs. It is not possible to undertake the Bachelor of Dental Surgery or Bachelor of Oral Health without performing exposure-prone procedures on patients. If you test positive in your immunity status to of the prescribed communicable infections listed above your enrolment will be cancelled and you will be removed from the program.
